

## INVITED SPEAKERS TO THE 2025 UGANDA NATIONAL DEBATE TEAM TRIALS IN JANUARY, 2025

### Criteria

1. Winners of a debate competition in Uganda that has more than 20 teams.
2. 1st Runner Up of the same Competition.
3. Top 10 Speakers of that competition.
4. We've used data that's publicly available on public tabs. For tournaments whose tabs are not public, we are in the process of reaching out to respective contacts to get that data.
5. In case you are not invited, there will be a form where you can express interest and if you meet the criteria set, the org com will admit you into the tournament. Keep tuned to DIA's web pages and social media pages for the update soon.

### NB

1. There may be repetitions since one debater can win more than one tournament.
2. Data from NDC, World Scholars, UG MUN and Agha Khan MUN will be added to the rooster as soon as we have it.
3. School invitations will be sent to your schools and to individuals who are within our reach.
4. If you have any information on any of these schools i.e phone contacts or emails, do well to reach out to us via 0783938868.
